SOUND BOOTH
00:00
230
the microphone recording has started.
microphone is no longer active.
retro styled phone mounted on the wall, phone should be fitted with speaker.
Sonic Lock hides/ disperse/ receipt/ etc.
analog retro clock.
potentially a sensor, that detects when someone is by the booth & triggers the phone to ring.
NOTE
leave a sound, take a sound!
saying: Curious about sound around you? Stand here??
